

This is a detailed topographic map of the North Cascades National Park and its surrounding regions. The map features a complex network of trails, roads, and geographical features. Key areas labeled include North Cascades National Park, Ross Lake National Recreation Area, and Whatcom County, Skagit County, and Snohomish County. The map shows various trails such as the Canyon Ridge Trailhead, Church Mountain, Excelsior, and many others. It also depicts numerous lakes, including Silver Lake, Shuksan Lake, and many smaller ones. Elevation contours are shown throughout the map, indicating the rugged terrain. The map is color-coded to show different types of land use and vegetation. The overall layout is a comprehensive overview of the park and its surroundings, providing a wealth of information for hikers, travelers, and researchers.
